GLANCE

FONDLE

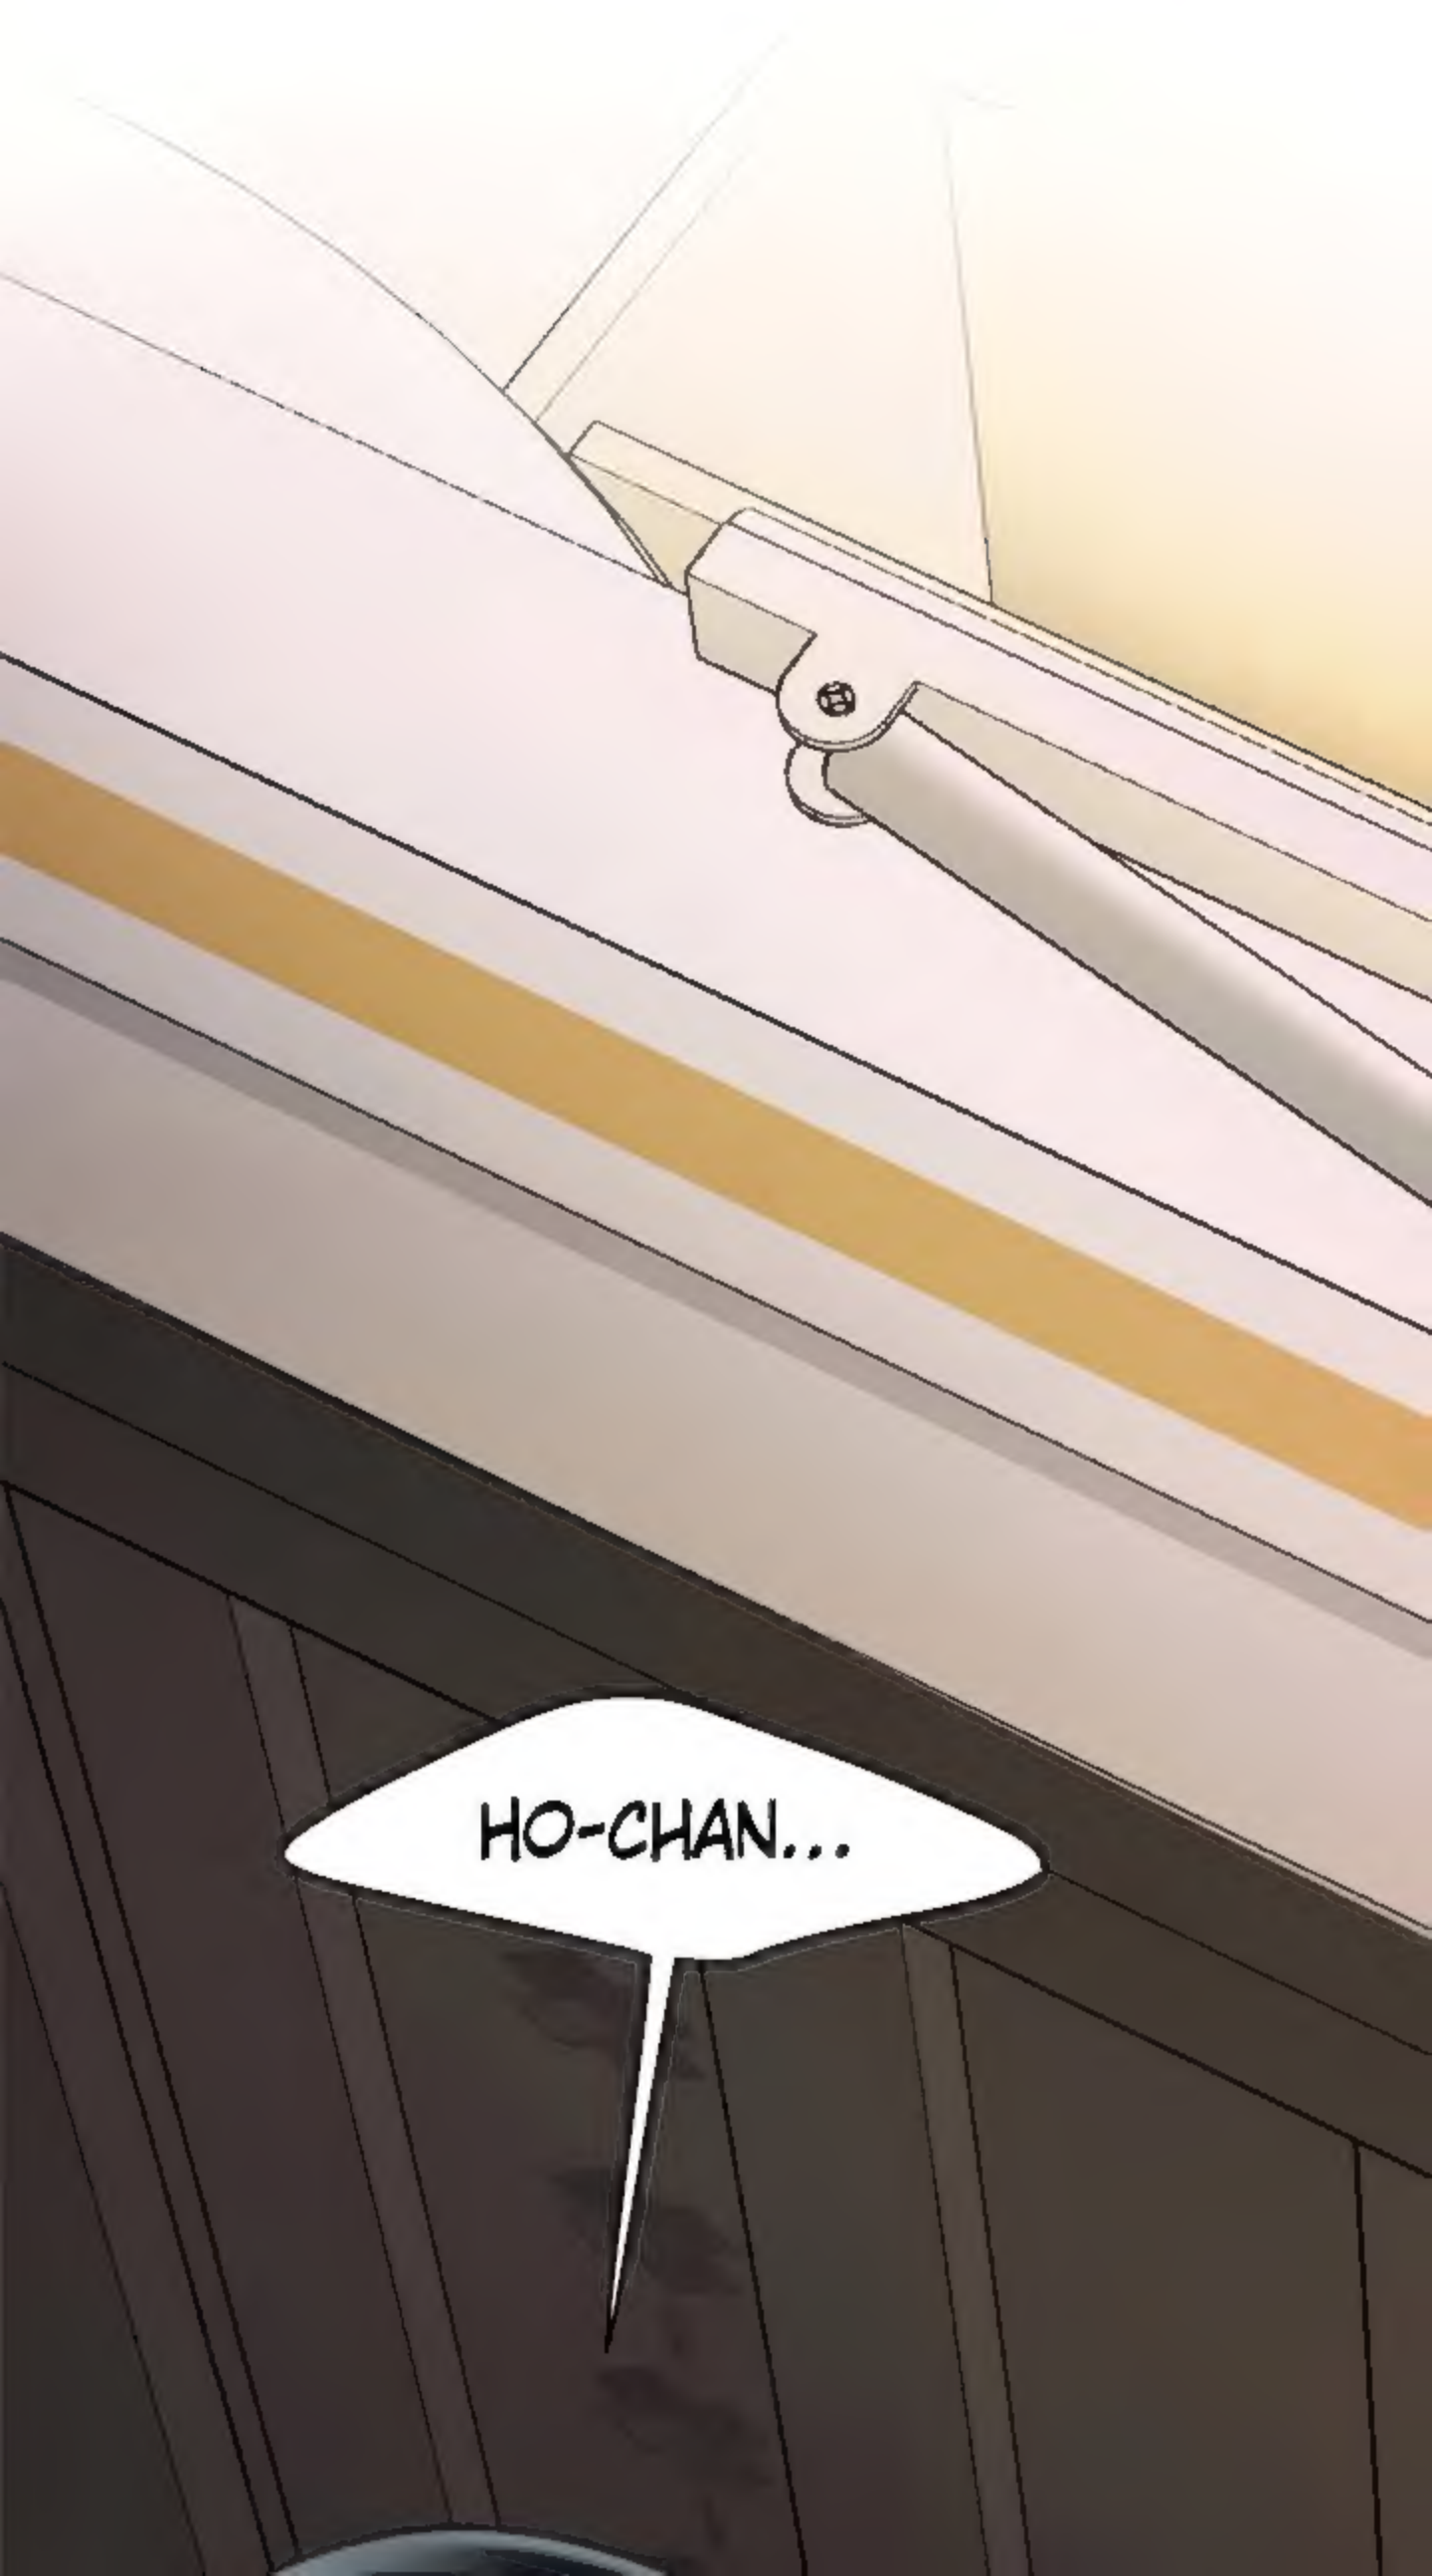

A close-up, artistic illustration of a person's bare chest. The skin is a warm, reddish-brown tone. In the upper center, a small, light-colored nipple is visible. The word "FONDLE" is written in a bold, white, stylized font with a black outline, slanted slightly to the right. To the left of the text, a small, teardrop-shaped droplet of liquid is shown falling. Another similar droplet is visible further down and to the right. The top edge of the image shows a portion of a white garment with a purple detail. The bottom half of the image is a solid white background.

Huh?!
